Habib

imhabib

Rank 176,938

I'm a competitive programmer and problem solver with proficiency in C, C++, data structures and algorithms, Git, object-oriented programming, and Linux. I have honed my skills through participation in various programming contests such as the ICPC Regional, NCPG, and IUPC contests. I have also solved more than 1500 problems in different online judges. Additionally, I have experience working as a teaching assistant and competitive programming instructor at BUBT, where I have demonstrated my ability to commun
